Subject: WH in-town pool report #13

POTUS arrived at Treasury, and your pool was ushered into the event that had been listed as closed press. There are U.S. and Qatari flags flanking the president's podium, and the long hall is filled with round tables covered in blue table clothes and platinum-plated L'Objet dishes.

Applause, then silence in the room as POTUS entered and thanked guests one by one with the emir. The president is sat next to Christine Lagarde of the IMF.

Passing details and a guest list along from the White House:
